With Rails

Without Rails

Tiles: 0,5 x 0,5m

ALL FITTINGS INCLUDED
Special sizes available on request

- This bridge has been specially treated against rot and insect infestation.
- It has also been coated in linseed oil to protect it against the weather elements (but further coating with sealants or varnish is also advisable).
- The tiles are made from hardwood Saligna, the internal frame and legs from CCA Treated Pine and the exposed section clad in Meranti.
